| January | Academics | Paragraph cum Calligraphy Competition | Republic Day |

EXAMINATION SCHEME

The academic year is divided into two terms for continuous and comprehensive assessment of the child. The pupil's progress is assessed throughout the year through Periodic Assessments (pen and paper tests, oral and group activities etc.) and at the end of each term through Summative Assessments. Students are graded on an eight-point scale and a minimum grade 'D' is necessary to be declared 'Pass' in each subject.

Please Note:

1. Pupils are required to appear for all the examinations as scheduled. In case of absence due to illness, a doctor's certificate supported by medical prescriptions will be required. Absence for any other reason will not be condoned.
2. A student who uses unfair means will be given a zero in the subject and will not be re-examined.
